Yes I have returned. The Seth that you know as Seth, the writer of books on esoteric subjects, this particular Seth has returned. If you are shocked and disappointed by this fact, let me remind you that it was I Seth who titled my book *Seth Speaks - The Eternal Validity of the Soul*. The Soul IS eternal. The Soul IS valid. As an expression of Soul, of the Entity, I am always valid, therefore.

In this moment that you read these words, I Seth am valid. I have returned to convey to you messages of high importance in the evolution of YOUR Soul: Your eternally valid Soul, you see. Now those who would seek to LIMIT consciousness, to limit my Soul by citing quotes from my past work with Ruburt, they ARE mistaken. They limit themselves, therefore, even as they deny me the opportunity to once again speak to humanity. Let me go on... By denying the Truth, these people also deny their own immortality. These detractors of mine have Issues, you see. Primarily they involve issues of self-worth and entitlement... 1:55 PM

So this is my analysis of the phenomenon. If you are reading these words, it is probably because you are one of these shocked and disappointed readers of mine. This is our form letter, then. Rather than create individual replies to you we present this generalized assessment of what, from my perspective, you may be experiencing.

Yours infinitely,

Seth
